

## Private Pilot FAA-PVT (PPL)

**Start flying today! Earn your wings and enjoy the fun of flying with friends and family**

The **Private Pilot Program** is conducted under FAR 61, including 40 hours of flight training (FAA minimum 40 hours) which includes 20 hours of dual instruction, 20 hours directed solo practice and 2 hours for the FAA Practical Examination. Also included is ground school and 20 hours of one-on-one ground instruction. Completion of the Private Pilot Course (including the Practical Examination) allows the pilot to act as Pilot in Command of an aircraft carrying passengers or property, but not for compensation or hire subject to FAR Parts 61 and 91.

**Payment Plans:**

\* **Block hours= \$3,010.00 (initial deposit)+\$1,910.00+\$1,610.00+\$855.00 = \$7,385.00**

**Pay as you go = \$2,000 (initial deposit) pay at your rate (until end of term)= \$7,685.00**

*(must maintain +\$400 on account to continue)*

\*Block rate is bought in 10hr blocks

\*\* Rate to be determined at US Based school

	HOURS		PRICE		TOTAL	
<b>Pa28-151 'Warrior'</b>	<b>Dual</b>	<b>Solo</b>	<b>Reg.</b>	<b>*Block rate</b>	<b>Reg.</b>	<b>*Block rate</b>
